Job Title: School Nurse

Job Type: Full Time Position

Job Category: 10-1

Job Purpose:

Manage and coordinate the assigned school's health services program based on requirements established by school division policies, procedures, and protocols, and by local, state and national regulations and statutes; maintain and operate the school clinic.

Job Description / Responsibilities Include:

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Ensure compliance with procedures, protocols, and other instructions provided by the coordinator of health services or contained in school's manuals and protocols.
- Provide nursing care and physical screening to students; assess students and implement first aid measures for students as needed.
- Assume responsibility for appropriate assessment, planning, intervention, and evaluation, management, and referral activities for students.
- Implement and record required screening programs; notify parents when further medical evaluation is indicated.
- Establish and update health and immunization records on RenWeb.
- Prepare and maintain student clinic records and prepare required reports.
- Administer daily and PRN (as needed) medications and nursing care procedures prescribed by the student's physician.
- Initiate emergency procedures for students and staff as needed.
- Develop Individual Health Care Plans and 504 Plans for students on a case by case basis.
- Orient the staff and teach specific medical procedures for the evaluation and maintenance of the medically involved student in the classroom.
- Present, train and maintain appropriate standards from OSHA regarding contact with, and possible exposure to blood borne pathogens and other potentially infectious body materials within the school or employment setting.
- Provide health education and anticipatory counseling.
- Follow procedures for suspected cases of child abuse and neglect.
- Act as a liaison between the school, home health department professionals, and other community agencies.
- Coordinate presentations by various agencies and professionals on pertinent health care topics for school staff.
- Maintain clinic equipment and assesses the need for consumable supplies on an annual basis.
- Perform related work as required.

Skills/Qualifications:

- Ability to use clinic/medical equipment;
- Possess basic pharmacological knowledge;
- Ability to assess emergency situations and act accordingly;
- Comfortable knowledge of universal procedures and ability to teach this to others;
- Good oral and written communication skills;
- Basic computer skills;
- Willing attitude to be a part of the school team;
- Strong sense of professionalism;
- Other skills and requirements expected by the nursing coordinator and the school administrators include management and organizational ability, common sense, motivation, positive attitude; and the ability/willingness to participate in ongoing professional and staff development, both independently and through system-offered opportunities.

EDUCATION AND EXPERIENCE

Graduate from an accredited nursing program; Bachelor of Nursing Degree preferred; licensed as a registered nurse in the State of Maryland and in good standing with the Maryland Board of Nursing. A minimum of one to three years nursing experience and experience in community health, pediatrics, emergency care and triage, psychiatry, and/or a physician's office preferred. A comparable amount of training and experience may be substituted for the minimum qualifications.

PHYSICAL REQUIREMENTS

Requires standing, sitting, repetitious hand and body movements, simple grasping, pushing pulling, fine motor and gross motor skills, bending, lifting, squatting, kneeling, climbing, and reaching. Ability to lift students as required and has the stamina to stand all day, every day of the week as needed. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential tasks.

SPECIAL REQUIREMENTS

- Valid CPR certification
- Possession of a valid driver's license
